

Hot Chocolate Cookbook: Hot Chocolate Recipes That You Can Try: Hot Chocolate Cookbook For You

EBOOK DOWNLOAD

Synopsis

A piping-hot mug of cocoa can be described in a variety of ways: luscious, creamy, velvety, and rich, to name a few. So why would you ever want to use a dry mix packet again? You'll see what you've been missing out on after one peek at our collection of the best hot chocolate recipes in this book. After all, winter is only here for a few months, so you'll want to make the most of your drink indulgences. While wrapping gifts, curl up with a Christmas movie and a mug of Nutella hot chocolate, or create a mug of sugar cookie hot chocolate (yep, that's a real thing). When your family and friends come over on Christmas Eve, make two servings of slow cooker hot chocolate (and maybe even add a spirit to make it into a cocktail).
